

Weddings at Boutique Hostal Salinas

**BOUTIQUE HOSTAL
SALINAS**

Celebrate with us

Boutique Hostel Salinas is located in the midst of the Salinas Nature Reserve and just behind the iconic Salinas Beach. It offers seclusion and natural surroundings even in the height of the summer season and is conveniently situated 10 minutes drive from both Ibiza town and the airport. Rental of the downstairs area for exclusive use is priced at 500€ (except for August where the price is 1000€).

Groom, bride and guests arrive from our private car park, crossing a wooden bridge to a large open air terrace whereupon they are greeted with an aperitif and hors d'oeuvres before the ceremony. To the back of the building, for the ceremony, is a secluded area surrounded by plants and trees with a view to the valley behind.

For the post nuptials we have a large terrace area for drinks and dancing with the hotel completely illuminated by large projectors. Choose your images!

We can work with you or your wedding planner and organize the many different things you may need...
